Recognizing gifts received between
July 1, 2015 and June 30, 2016

Franklin Community Health Network and our affiliates are not-for-profit organizations. All are committed to a mission of service excellence and it has been the charitable gifts of our friends and neighbors that have sustained our work and our vision.

When you support Franklin Community Health Network your gift stays here, to help serve the people of West Central Maine. Last year gifts helped to provide:

• Medical care for those not covered by insurance;
• Needed supplies and care support services for cancer patients;
• The purchase of a new DXA system (Dual-energy X-ray Absorptiometry) that uses low dose radiation to measure bone density;
• Patient education booklets to help patients manage their chronic conditions;
• Programmed talking pill boxes for patients with dementia; and
• Support for outreach programs and services provided by Healthy Community Coalition of Greater Franklin County.

In January, Radiologist Dr. Byung Kim was the high bidder of a pink gondola at the Sugarloaf Charity Summit. He then donated the gondola to Franklin Memorial Hospital to be placed on its campus. It now bears the Martha B. Webber Breast Care Center logo and can be found near the front entrance to the Franklin Health Medical Arts Center (pictured on left side of image) where the Farmington breast center is located.
How You Can Help

There are many ways to make a gift that will support our community health care network.

Volunteer your Time

Join the nearly 200 volunteers staffing the information desk, working on the parking assistance team, or using their computer skills at Franklin Community Health Network.

Become a Member of the Franklin Memorial Hospital Auxiliary

The Auxiliary is a vital contributor to the hospital through the proceeds from the gift shop and fundraising activities. The Auxiliary always welcomes new members.

Create a Lasting Legacy

Ensure that high quality health care remains available in this rural Maine community for generations to come by naming Franklin Community Health Network in your will, trust or estate plans. You may choose to contribute through a gift from your estate in a way that will best meet all of your estate goals and objectives.

Honor and Memorial Tributes

Gifts made to honor or memorialize a loved one are gratefully accepted and acknowledged to the individual or family. The amount of your gift is confidential and may be directed to any area of patient care or to any community program offered by FCHN.

Contribute to the Annual Fund

You may choose to contribute immediately by writing a check or using your credit card. You may also donate online at www.fchn.org/donate. These gifts will be put to work right away helping those served by Franklin Community Health Network. When you itemize your taxes your gifts are fully deductible.

Gifts of Appreciated Securities

When you give a gift of stock to the Franklin Community Health Network Foundation you don’t pay the capital gains tax, and neither do we. When you itemize your deductions, you are also entitled to receive a charitable deduction for the fair market value of the stock at the time that you gave it.

Recognizing Your Gift

Monetary and inkind gifts are posted on our website www.fchn.org.
