# THE STORYWALK™ PROJECT

For other questions, such as “How do I make my own StoryWalk™?” or “How much does it cost to make a StoryWalk™?”, please contact the creator **Anne Ferguson** at **802.223.7035**.

## What is a StoryWalk™?

A StoryWalk™ combines physical activity with literacy. It's an innovative way to get people of all ages out walking while reading children's picture books. Pages of a book are transformed into signs that are then laid out on a trail inviting families, children, caregivers, teachers, and others to follow the path of pages.

## Where can I use a StoryWalk™?

A StoryWalk™ can easily be set up on playgrounds, walking paths, hiking trails, or fields. Our signs are windproof and waterproof and can be placed at different heights for various age levels.
