# ACTIVITY BAGS

what's in  
your bag?

## Looking for a way to help families unplug from screens? Try creating Take Home Activity Bags!

1. **Create Take Home Activity Bags or Boxes.** Fill a bag or box with new and different activities for kids and families to do at home as an alternative to screen time. Include special items that your students like but don't have access to every day. You want to provide desirable items that the students want!
2. **Advertise to families.** Let families know that students may "check out" an Activity Bag for the evening as an alternative to screen time. Consider adding the sentence below to parent communications.

**"Attention Families! We now provide Take Home Activity Bags available to check out overnight for a fun alternative to screen time! If you'd like to have a screen-free evening, contact \_\_\_\_\_."**

3. **Develop a check-out system.** Who will be responsible for the bags? The school nurse? The librarian? Front office staff? How long will parents be allowed to borrow them for? How will you handle any lost or broken items?
4. **Keep the bags updated.** Use fun and exciting toys and activities!
