Hold a **5-2-1-0 POSTER CONTEST**

Holding a 5-2-1-0 poster contest can create excitement around and bring attention to the **Let's Go!** efforts at your school.

Students at Portland's Deering High School, with the leadership of school nurse Kristin Johnson, participated in a 5-2-1-0 poster contest. Students were encouraged to design a poster based on the 5-2-1-0 message and the winning design by Senior Andrea Rogers was screen printed onto t-shirts! See a selection of the entries below:
