Fore the Center!

We would like to share a heartfelt thanks to the men and women of the SMHC Auxiliary for 24 years of managing the Golf Tournament and for the hundreds of thousands of dollars raised through their volunteer efforts. Though the golf tournament happens but once each year, the endless hours of dedication and hard work that our Auxilians committed to these tournaments is astounding. SMHC is honored to continue the legacy of the Auxiliary's good work.

The 25th Annual Southern Maine Health Care (SMHC) Golf Tournament will raise funds for SMHC's Center for Developmental Medicine.

Dedicated to improving the quality of life of children with developmental disabilities in York County, Dr. Don Burgess and his team in the Center support **more than 700 patients** and their families with comprehensive, multidisciplinary care to ensure these exceptional children get the support they need at a crucial time in their development... without having to travel far.

There is a great need in our community for this specialized care, and by supporting this tournament, you will help the Center strengthen its existing program and increase its impact. Thank you for your consideration!
