December 2019

Monthly Construction Activities

Sanford Medical Center

- 1st Floor framing, plumbing, electrical and duct work
- 2nd Floor framing
- Demolition Ground Floor

Newton Center/Summer Commons

- Blasting will begin December 29 to finish clearing the land.
- A portion of July Street is closed for safety purposes, please use Sherburne street to access 13 July Street for WorkWell and Rehab Services.
- The Newton Center family visitor parking spaces located on the July Street side of the Newton Center were relocated to the back (June Street side) for the safety of our family visitors.
- Fencing was put up around the perimeter of the site to safely distinguish construction areas.
